

During Finals (CEP) Week, the Testing Center at Student Accessibility Services has extended hours to accommodate your students.

Your students should be following the Official Finals (CEP) Week Schedule when scheduling their exams so that we may accommodate as many students as possible in our limited space. For example, if your exam is scheduled for the 7:40am - 9:30am CEP Time Block, students should schedule to start your exam at 7:40am, not 8:00am or any other time that is not 7:40am.

The student's individual accommodations for extended time on their exams (1.5, 2.0) will determine which CEP Time is **the latest** CEP Time that they may begin your exam in the Testing Center.

When you submit your exam to the Testing Center for administration, please remember that **CEP Time Blocks are 1 hour 50 minutes long**, deviation from the duration of CEP Time Blocks, even by ten minutes will severely limit the number of students we can accommodate on any given day.

The tables below, along with the Official Finals (CEP) Week Schedule will assist students to schedule their exams. Students have received a comparable version of this document.

**The Testing Center is open from
 7:30AM to 5:00PM Monday through Thursday
 During Finals (CEP) Week.
 All exams must be completed by 5:00pm.**
