

## How to Understand the FINALS (CEP) WEEK SCHEDULE When Using the TESTING CENTER

During Finals (CEP) Week, the Testing Center at Student Accessibility Services has extended hours to accommodate your exams.

You should be following the Official Finals (CEP) Week Schedule when scheduling your exams so that we may accommodate as many students as possible in our limited space. For example, if your exam is scheduled for the 7:40am - 9:30am CEP Time Block, you should schedule to start the exam at 7:40am, not 8:00am or any other time that is not 7:40am.

Your individual accommodations for extended time on your exams (1.5, 2.0) will determine which CEP Time is **the latest** CEP Time that you may begin an exam in the Testing Center.

The tables below, along with the Official Finals (CEP) Week Schedule will assist you to schedule your exams. Your Instructors have received this information as well.

**The Testing Center is open from  
 7:30AM to 5:00PM Monday through Thursday  
 during Finals (CEP) Week.  
 All exams must be completed by 5:00pm.**
